

To be handed to applicants when applying for a new rented property

To ensure we can provide a quality service, please check the application form is fully completed, signed and legible. Poorly completed application forms will result in delays.

Help us to help you

We appreciate that you wish to move into your new home with the minimum amount of fuss. We'll do all we can to efficiently process your reference. However, in some instances, employers and landlords (despite our best efforts and daily contact) will delay the process. You can help by contacting them, before you apply, and asking them to deal with our enquiry quickly. If they require written confirmation, a standard letter is available from your letting agent for you to give to your referee.

Track your application

You can track your application online at any time by visiting homelet-tenants.co.uk and selecting 'Track your Reference'. You'll be asked to enter login details. These details will be sent to you by email once your application has been received by HomeLet.
